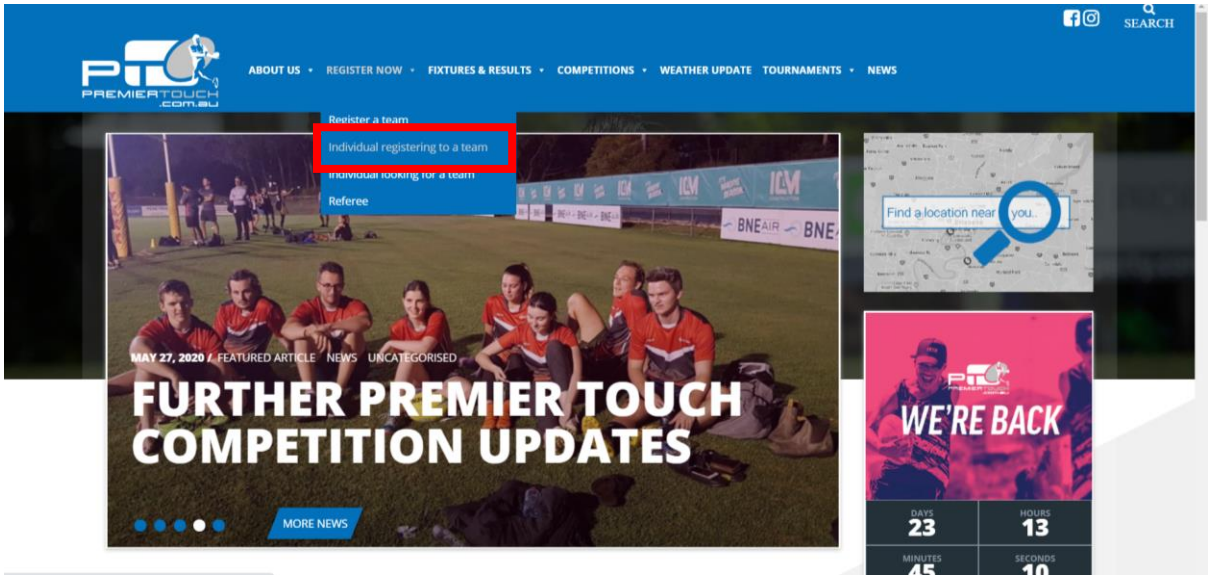
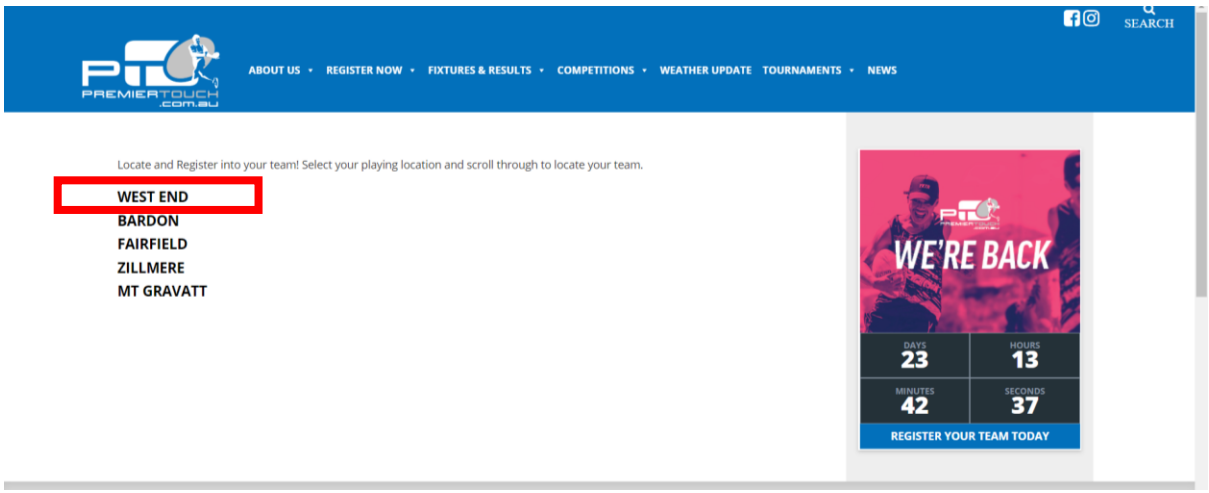
How to register as an individual in MySideline

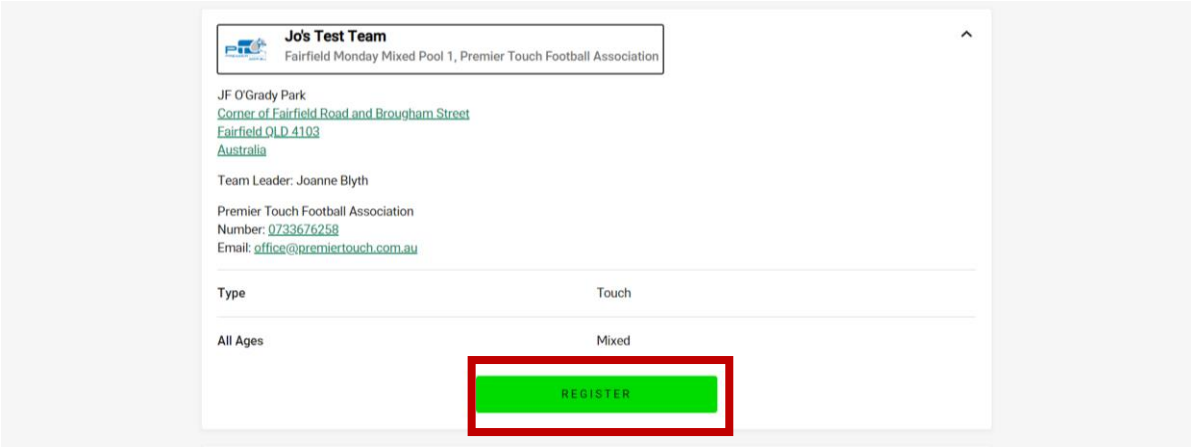
1. Head to the website www.premiertouch.com.au and select 'Individual registering to a team'



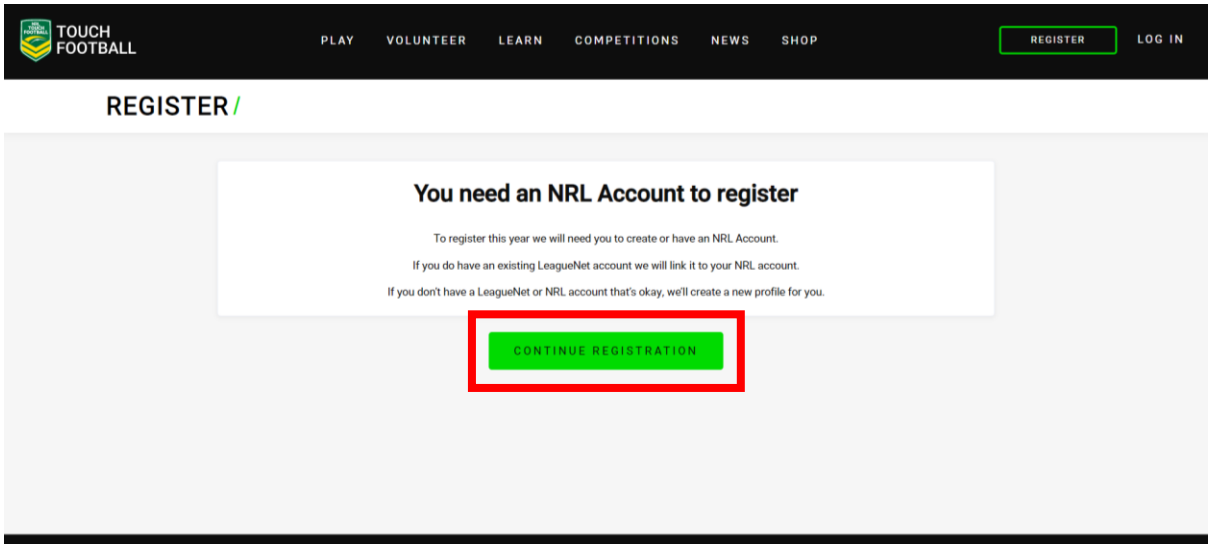
2. Select the venue that your team plays at for example West End



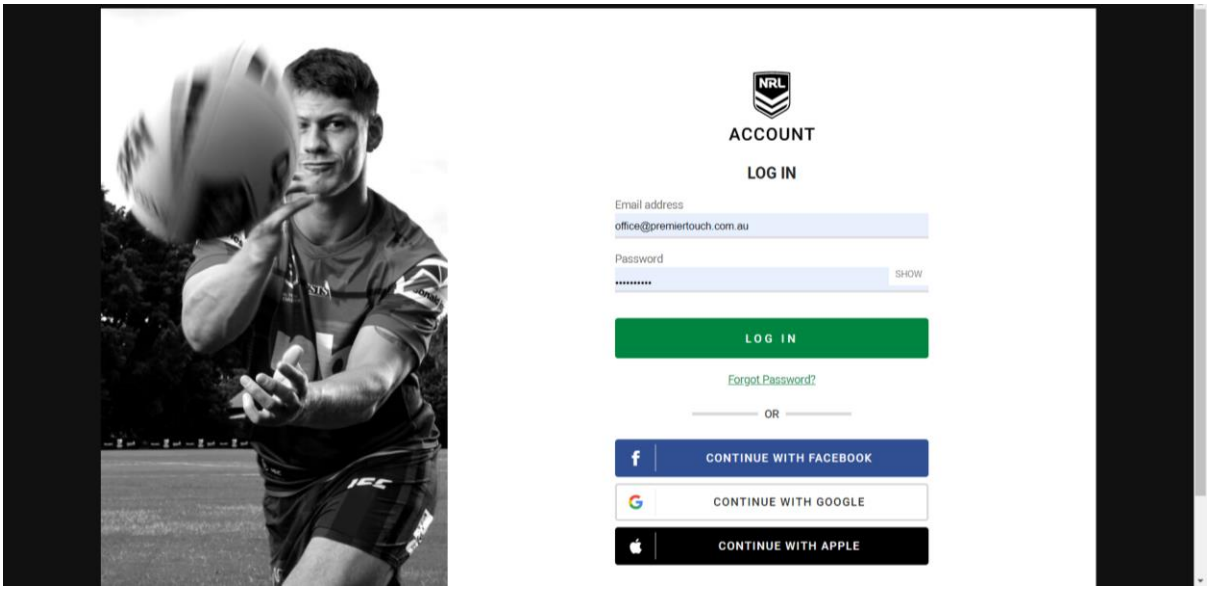
3. Select your team, check all the details are correct and click register



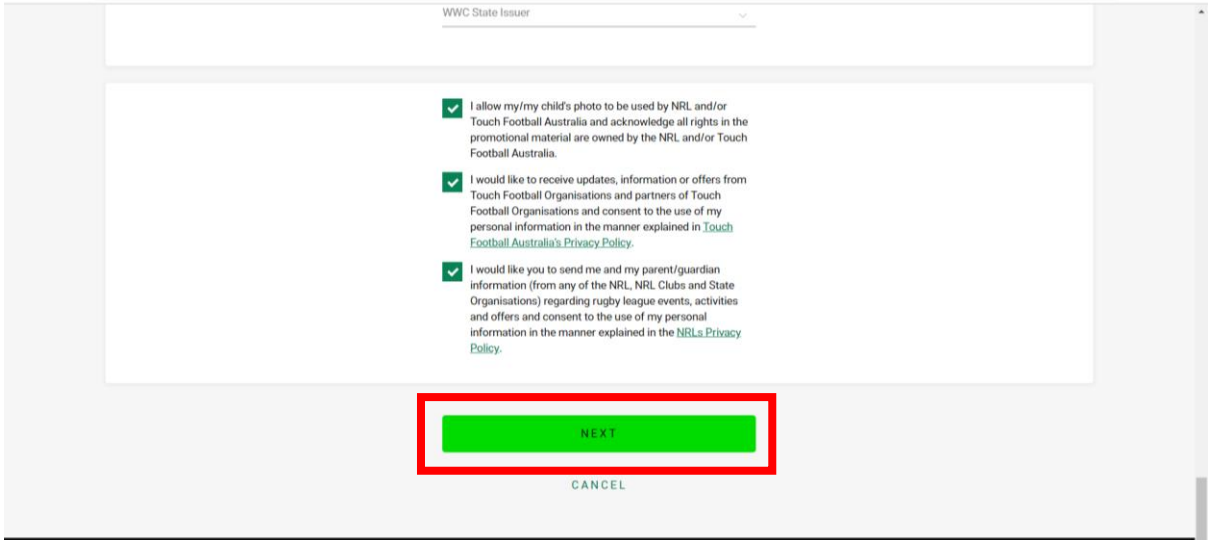
4. You will need to create an NRL account to continue



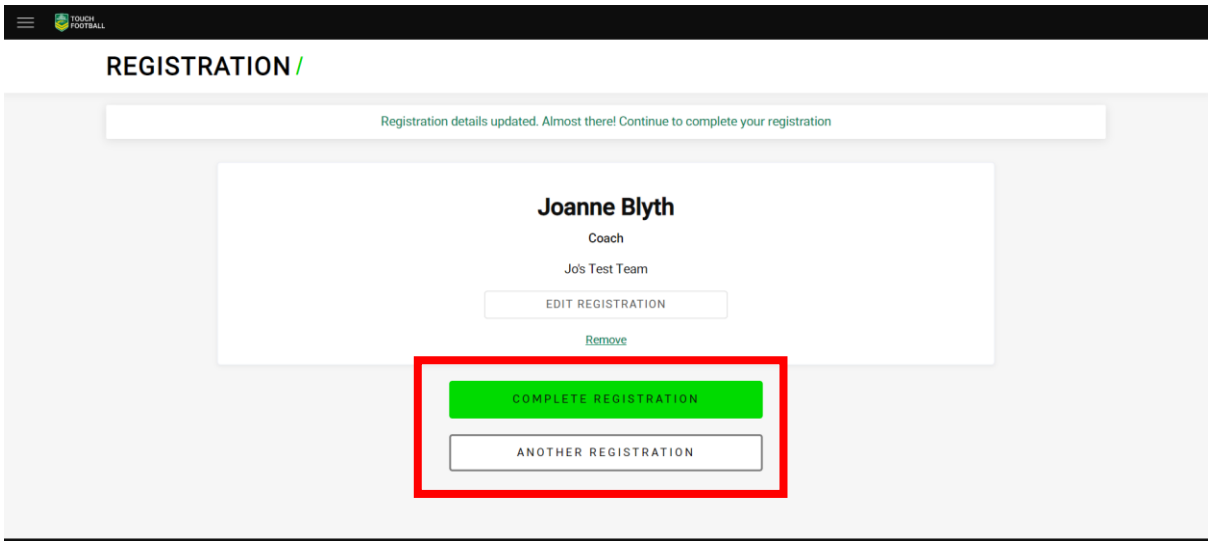
5. Create an account using either an email address, Facebook, or Google.



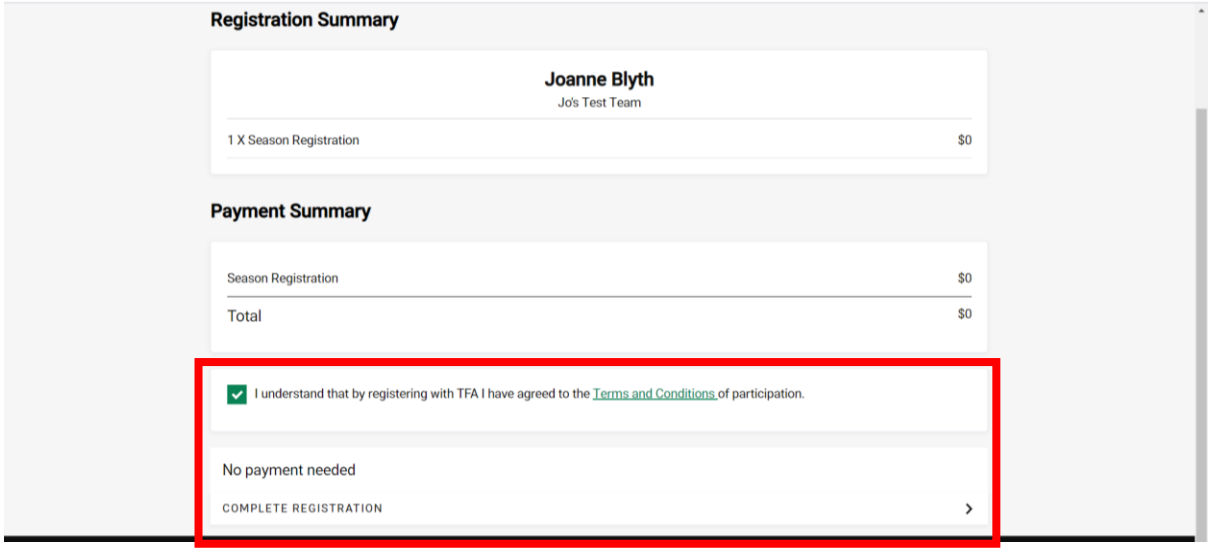
6. Complete all the information, select your preferences, and select next



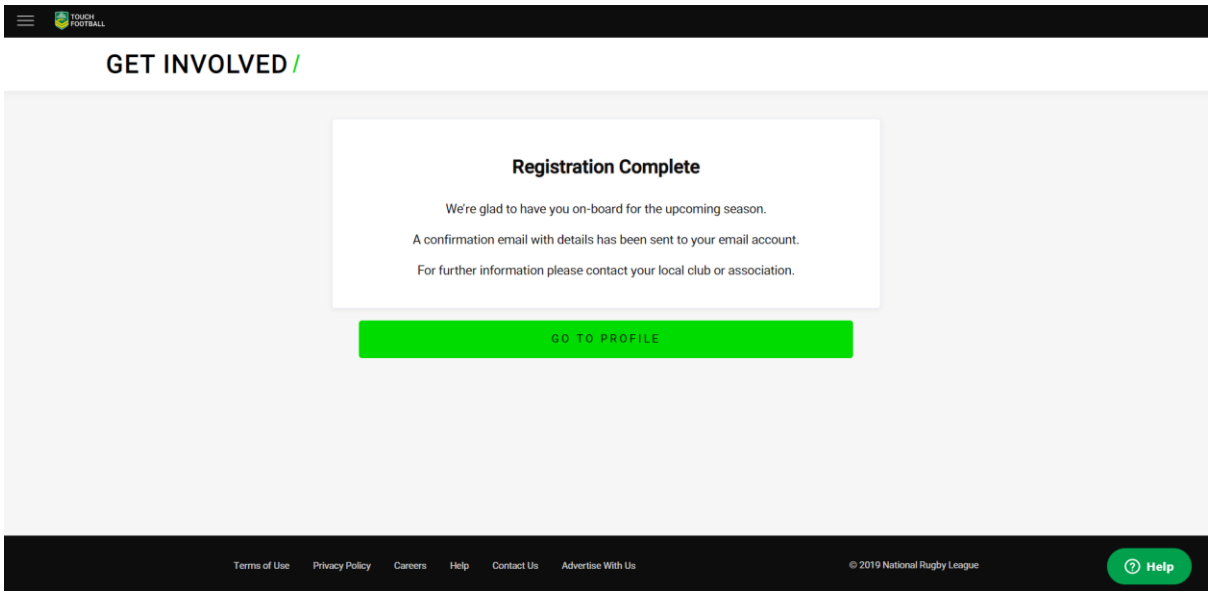
7. At this stage you can complete the registration or add another participant such as a family member onto your account.



8. Tick that you agree to the terms and conditions and select complete registration.



9. Registration is complete.



<u>Trouble Shooting – If you are unable to register please check the following:</u>

Players are responsible for being registered. Any IT issues can be resolved by clicking the green help button in the bottom right corner of the screen.
